**Winter has arrived in Northern Michigan! Waders are resting after a full season of all the river work we do. Time to rest? No way, time to get ready for 2023! We have a fantastic group of volunteers who put in over 2500 hours yearly!! We are always planning ways to maintain and improve our rivers. We have no administrative costs....everything goes to the rivers.**

**The work is expensive even with volunteers. This is where YOU come in! We need and appreciate your support to protect our precious rivers.**

**\* Donate electronically at [www.MasonGriffithTU.org](http://www.MasonGriffithTU.org)  
\* Send a check to MGFTU, PO Box 502, Grayling, MI 49738**

**BEST WISHES from the MGFTU Board of Directors**
